# Wee Friends Goes Outdoors

Nurturing the Father Heart of God  
in the Next Generation

Wee Friends Goes Outdoors is an outdoor stay and play for pre-schoolers.

We implement the original Wee Friends curriculum geared towards 3-5 year olds, whilst welcoming all ages.

This is delivered with the triple emphasis on the Father heart of God; wonder and respect for God as Creator, and the spiritual capacity of children.

## Physical

Strengthens immune system, can help to prevent obesity, diabetes, and conditions such as osteoporosis.

## Social

Improved confidence, team building skills, & independence.

## Mental

Stress relieving, reduces anxiety in children and adults!

## Intellectual

Improves fine motor skills, improves imagination and problem solving.

The outdoors naturally lends itself to exploring God's creation whilst the benefits of outdoor play include: Improved physical health, improved social development, improved mental health, improved intellectual development.
